

भारतीय सामग्री प्रबंधन संस्थान
INDIAN INSTITUTE OF MATERIALS MANAGEMENT

AHMEDABAD BRANCH

NATCOM 2025 **(GOLDEN JUBILEE YEAR)**

SUSTAINABLE SUPPLY CHAIN:
A PATHWAY TO NET ZERO CARBON FOOTPRINT

29 Nov. : 9.00 am to 10.00 pm &
30 Nov. : 9.00 am to 6.00 pm
At Pride Plaza Hotel , Bodakdev

WHY IT MATTERS !!!

From raw material extraction to last-mile delivery, global supply chains face unprecedented complexity. Cross-border operations, evolving regulations, and stakeholder demands for transparency make sustainability both a challenge and a competitive advantage.

About IIMM

Indian Institute of Materials Management (IIMM) with its National Headquarters at Navi Mumbai and its wide network of 56 Branches all over India and having a strong membership of more than 10000 professionals across the country from various Industries, Institutions, Public sector undertakings and Government.

Apex body representing a wide spectrum of professionals engaged in various facets of Materials Management. To have more effective Global interaction, the Institute is a chartered member of International Federation of Purchase and Supply Management (IFPSM), which has its union of 47 National and Regional Purchasing Associations worldwide. IIMM conducts various courses, and its own certificate program in Supply Chain Management disciplines. IIMM Approved Courses - Post Graduate Diploma in Materials Management and Post Graduate Diploma in Supply Chain Management & Logistics approved by AICTE.

Objectives of IIMM

- To secure a wider recognition and promote the importance of efficient Supply Chain Management in commercial and industrial undertakings.
- To safeguard and elevate the professional status of individuals engaged in the Supply Chain Management faculty.
- To constantly impart advanced professional knowledge and thus improve the skill of the persons engaged in the Supply Chain Management functions.
- To propagate and promote among the members strict adherence to IIMM Code of conduct and Ethics.

About Ahmedabad

Ahmedabad is the largest city in the State of Gujarat and the seventh largest urban agglomeration in India, with a population of almost 74 lakhs (7.4 Million). City is located on the banks of the river Sabarmati. The city is the administrative centre of Ahmedabad district, and was the capital of Gujarat from 1960 to 1970; the capital was shifted to Gandhinagar thereafter. The city was at the forefront of the Indian independence movement in the first half of 20th century.
